

Missouri Business Summer School Program

The recruitment for the Missouri Joint Education has started.

Those interested in the programme must register and apply for it. You can contact Dr Vylupek, office E242, vylupek@pef.czu.cz . The registration to the programme is voluntary but the participation is binding afterwards, moreover 100% class attendance, Brewery visit and 2 Pub events in Prague (no exceptions – the registration is voluntary) are required to pass the programme successfully. There is a **limit of 20 students** to take part in the programme so the registration is based on first-come, first served principle. The first deadline for the registration is the end of Examination Period: 12 February 2017

The **International Relations Office** is going to organize Missouri Business Summer School Programme this year as well. The mutual programme between University of Missouri - MU (Robert J. Trulaske, Sr. College of Business) and Czech University of Life Sciences Prague - CULS (Faculty of Economics and Management) began in the academic year 2007/2008.

We are pleased that the programme is open again in the academic year 2016/2017.

Important dates:

Opening Ceremony: 21 May 2017

Closing Ceremony and Graduation: 16 June 2017

The **classes** are scheduled three days a week. Exact schedule with other information will be published on the web (section Prague/Missouri Summer Business Program):

www.studyinenglish.cz

The programme includes three **excursions** (mandatory for MU student, voluntary for CULS students):

Karlovy Vary – Moser, Becherovka, Lidice Memorial

South Bohemia – Milin War Memorial, Budweiser Brewery, Castle Cesky Krumlov

Mlada Boleslav – Skoda car company

There are going to be several **social activities** organized for the students and staff (**mandatory** for all the CULS and MU students):

Suchdolsky Jenik University Brewery

Prague traditional pub visits (2 events)

There are going to be **two courses** covered during four weeks of the programme (**100% attendance required**):

- 1) Doing Business in the Czech Republic and European Union

This course is delivered by the CULS. There are several lectures focused on theoretical knowledge from the world of finance and practical experience shared by professionals from companies and institutions located in the Czech Republic (Czech National Bank, Microsoft CR, McDonald's CR, Prague Stock Exchange). Several speakers will conduct the classes. CULS

students who are registered for the program will get this course recognized for English for Academic Purposes or English for Business Purposes. It means they do not have to attend this courses during the semester.

2) Finance in International Business

This course is delivered by the MU Prof. Stephen P. Ferris who is Associate Dean for Graduate Studies and Research, and the J.H. Rogers Chair of Money, Credit and Banking Director, Financial Research Institute. CULS registered students will get recognized International Finance (or one of the selective courses – Psychology, Statistical Seminar, Cooperative Business, Computer Security, Macroeconomic Analysis, Business Strategy) after completing the programme.

Programme FEE:

CULS students of the study programme Economics and Management do not have to pay any fee for the programme; the programme is financed by the International Relations Office of the Faculty of Economics and Management for them.

Registration to the programme:

Those interested in the programme must register and apply for it. You can contact Dr Vylupek, office E242, vylupek@pef.czu.cz. The registration to the programme is voluntary but the participation is binding afterwards, moreover 100% class attendance, Brewery visit and 2 Pub events in Prague (no exceptions – the registration is voluntary) are required to pass the programme successfully. There is limit of 20 students to take part in the programme so the registration is based on first-come, first-served principle.

The first **deadline** for the registration is the end of Examination Period:

12 February 2017

There might be a second deadline in case the placements are not filled by the first deadline.
